OVERVIEW AND BENEFITS

This bundle includes all four of the natural science question packs (two Biology packs, one Chemistry pack, and one Physics pack) as well as the two Critical Analysis and Reasoning Skills packs. Each question pack contains 120 unique passage-based and independent questions with the following features:

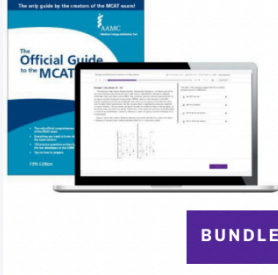

- View the answers and the test developers' solutions right away or later.
- Highlight content from the passages and questions, and review your highlighted content later using the built-in highlight tool.
- Review a breakdown of your performance in each Foundational Concept, Content Category, and Skill category.
- Add and review flags and notes to your answered questions.
- Compare your performance on every attempt at this product by comparing all your previous score reports. Each MCAT preparation product allows an unlimited number of attempts.

The [AAMC MCAT Section Bank](#) is NOT included in this bundle. The Official MCAT Question Pack Bundle includes:

- [Official MCAT Biology Question Pack, Volume 1](#)
- [Official MCAT Biology Question Pack, Volume 2](#)
- [Official MCAT Chemistry Question Pack](#)
- [Official MCAT Physics Question Pack](#)
- [Official MCAT Critical Analysis and Reasoning Skills Question Pack, Volume 1](#)
- [Official MCAT Critical Analysis and Reasoning Skills Question Pack, Volume 2](#)

Please note that the [AAMC Fee Assistance Program](#) includes free MCAT Prep products in the benefit package. [Review eligibility requirements.](#)

OVERVIEW AND BENEFITS

This bundle includes a printed copy of *The Official Guide to the MCAT Exam, Fifth Edition* and online access to the 120 practice questions included in the printed publication.

Perfect for future doctors navigating the MCAT exam preparation process, *The Official Guide to the MCAT Exam, Fifth Edition* includes:

- 120 passage-based and independent questions with solutions written exclusively by MCAT exam developers at the AAMC (30 questions for each of the four sections of the MCAT exam).
- A description of the content assessed by each section of the exam.
- Tips on how to efficiently prepare for the exam.
- Information on how the exam is scored, including information on holistic admissions, and more.

Online access to the 120 practice questions include the following features:

- View the answers and the test developers' solutions right away or later.
- Highlight content from the passages and questions, and review your highlighted content later using the built-in highlight tool.
- Review a breakdown of your performance in each Foundational Concept, Content Category, and Skill category.
- Add flags and notes to your answered questions, and review all your flagged questions and notes.
- Compare your performance on every attempt at this product by comparing all your previous score reports. Each MCAT preparation product allows an unlimited number of attempts.

Please note that the [AAMC Fee Assistance Program](#) includes free MCAT Prep products in the benefit package, including the Online Practice Questions from *The Official Guide to the MCAT Exam*. [Review eligibility requirements](#).
